- Competitive salary
- Position start date: ASAP
- Reports to: Head of school
- Teachers' pension

The Orange Tree School is an outstanding independent school provision for young people aged 11- 18 who will thrive in a small, therapeutic and nurturing environment

The Orange Tree School team are passionate about providing opportunities for those students currently out of education or those who are not coping within the mainstream setting.

Our aim is to work consistently to provide excellence for every student. With a highly-trained team, we support each student's individual needs, particularly focusing on those students needing a safe, but aspirational, environment to recapture an often lost passion for learning and creativity.

The student's needs and wellbeing are at the heart of everything that we do, and we take pride in helping our students to re-engage with their learning and thrive and develop as individuals and as part of a community. We do this through individualised care, in small class sizes, alongside a team composed not just of educationalists, but a wide array of healthcare professionals who work together as part of a multi-disciplinary team.

We are extremely proud of the tireless efforts of all of our staff, driven by the desire to bring about the best outcomes for each and every one of our students.

The Role

- To deliver outstanding teaching and learning of secondary Maths and ICT and therefore help students achieve excellent academic results in both GCSE's and A-Level's.
- To design an engaging and challenging curriculum that inspires children to appreciate Maths and ICT and its application.

Key responsibilities

- To plan, resource and deliver lessons and sequences of lessons to the highest standard that ensure real learning takes place and students make superior progress
- To provide a nurturing classroom which helps students to develop as learners
- To support students with positive behavioural across OTS.
- To contribute to the effective working of OTS.
- To complete all reasonable tasks reported by the Head of school.
- To be a form tutor/key teacher and be the main contact for your key students.

Outcomes and Activities

Teaching and Learning

- Enrich the curriculum with trips and visits to enhance the learning experience of all students
- With direction from the Head of school and within the context of the OTS curriculum and schemes of work, plan and prepare effective teaching modules, lessons and assessments
- Teach engaging and effective lessons that motivate, inspire and improve pupil attainment and use adaptive teaching to support those in need

- Use regular assessments to set targets for students, monitor student progress and respond accordingly to the results of such monitoring
- To produce/contribute to regular oral and written assessments, reports and references relating to individual and groups of pupils
- Develop plans and processes for the classroom with measurable results and evaluate those results to make improvements in student achievement
- Ensure that all students achieve at least at the chronological age level or, if well below level, make significant and continuing progress towards achieving at the chronological age level
- Maintain regular and productive communication with pupils, parents and carers, to report on progress, sanctions and rewards and all other communications
- Provide or contribute to oral and written assessments, reports and references relating to individual pupils and groups of pupils
- Direct and supervise support staff assigned to lessons and when required participate in related recruitment and selection activities
- Implement and adhere to the OTS Behaviour for Learning Policy, ensuring the safeguarding and well-being of pupils is maintained at all times
- Participate in preparing pupils for external examinations.

OTS Culture

- Support OTS values and ethos by contributing to the development and implementation of policies, practices and procedures
- Help create a strong community, characterised by consistent, orderly behaviour and caring, respectful relationships
- Help develop a small school/department culture and ethos that is utterly committed to achievement and well-being of all pupils.
- To be active in issues of student welfare and support
- Support and work in collaboration with colleagues and other professionals in and beyond the school, covering lessons and providing other support as required.

Other

- Undertake, and when required, deliver, or be part of the appraisal system, relevant training and professional development
- Provide cover for absent staff and to do regular duties.
- Undertake other various responsibilities as directed by the Head of school.

Person Specification: Maths Teacher
