## 1. Aims

We are committed to meeting our obligation with regards to school attendance through our whole school culture and ethos that values improvements in attendance, including:

- Promoting good attendance.
- Reducing absence, including persistent and severe absence.
- Ensuring every student has access to an education to which they are entitled.
- Acting early to address patterns of absence.
- Building strong relationships with families to ensure students have the support in place to attend school.
- Orange Tree School aim to have an attendance percentage of 96% as per government guidelines.
- The school follows a graduated response to support intervention to students who face barriers to maintaining good attendance.

We will also promote and support punctuality in attending lessons.

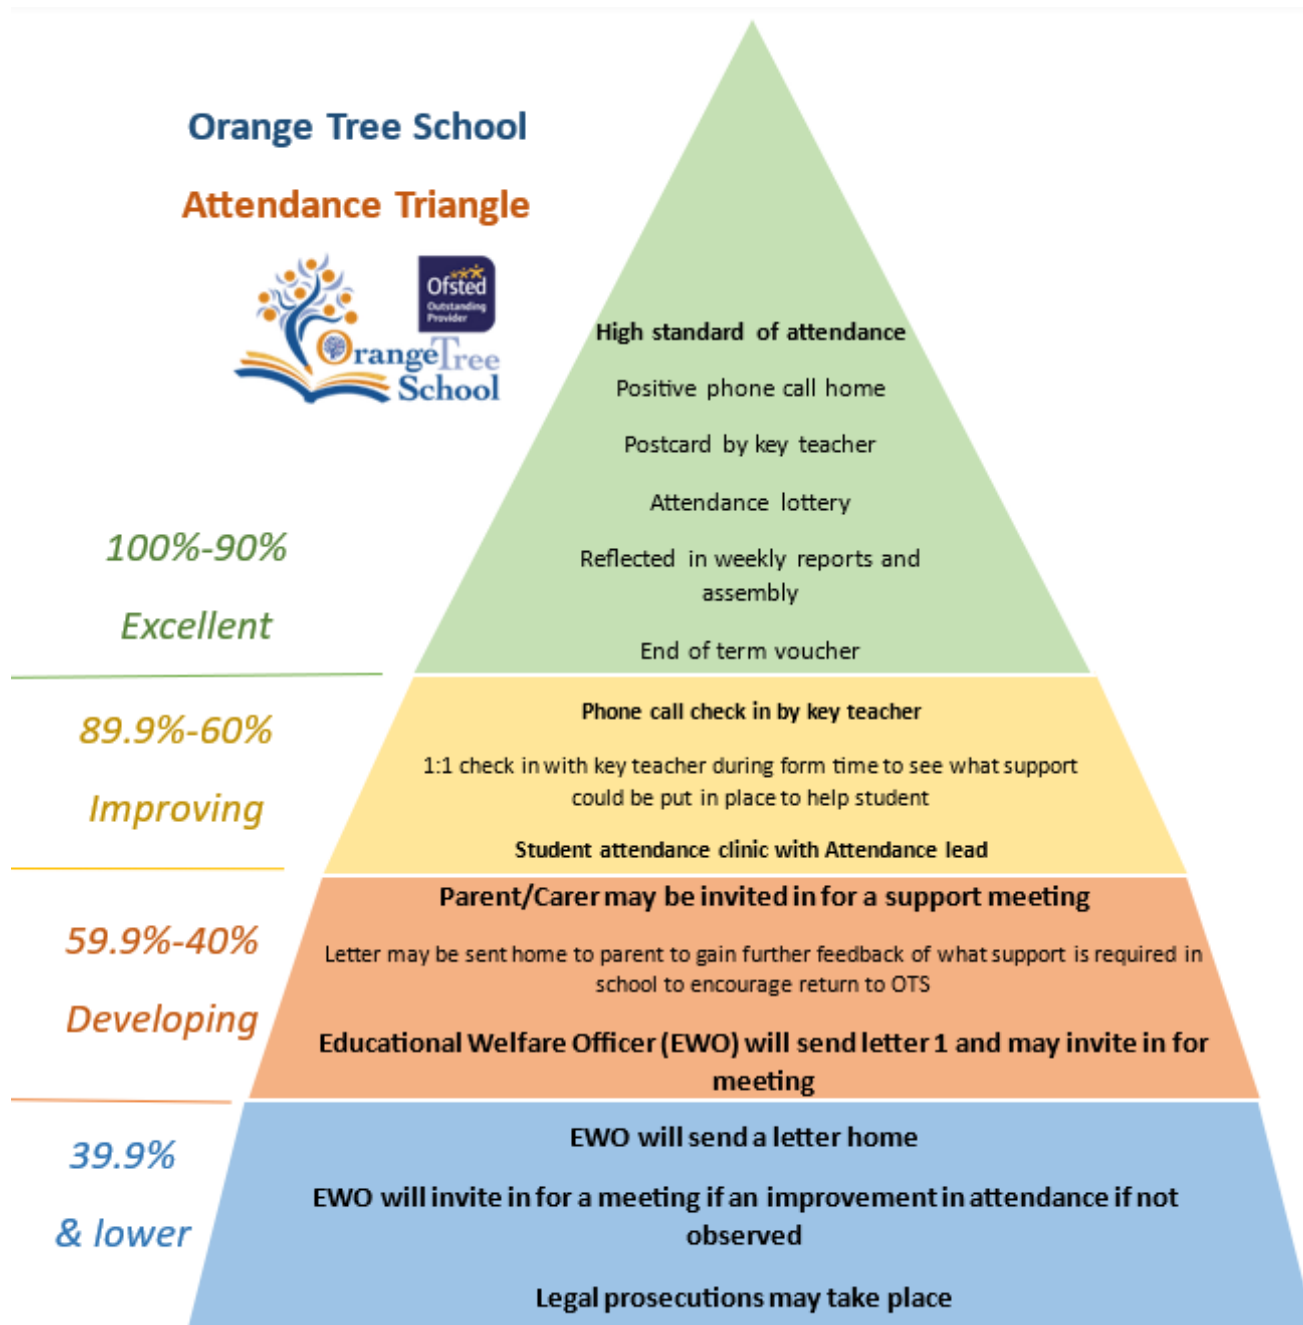

The school promotes good attendance through our Attendance Triangle, which provides a graduated response to support and interventions, and promotes improved attendance.

## 2. The Law and School Attendance

This policy meets the requirements of the working together to improve school attendance from the Department for Education (DfE) and refers to the DfE's statutory guidance on school attendance parental responsibility measures. - Provide the school with more than 1 emergency contact number for their child.

**Medical evidence must be provided when your child has an appointment. This is required for the absence to be authorised.**
- Pupils with long term illnesses or other health needs may need additional support from the local authority to continue their education, as set out in the recently updated statutory guidance for local authorities [Education for children with health needs who cannot attend school](#).

#### 4.7 Pupils

*Pupils are expected to:*

- Attend school, on time, every day

## 5. Recording attendance

### 5.1 Attendance register

We will keep an attendance register and place all students onto this register. We will take our attendance register at the start of the first form time of each school day, for each lesson timetabled and again during the second form time. It will mark whether every student is:

- Present.
- Late.
- Absent, using the appropriate code

Students should aim to arrive in school by 9.00am on each school day.

*Refer to Appendix 1 for more information regarding register coding.*

### 5.2 Unplanned absence

The student's parent/carer must notify the school of the reason for absence on the day of an unplanned absence as soon as possible by calling the school.

*Report an absence by:*

Telephoning the main reception 0208 148 1700

Emailing [reception@orangetreeschool.org](mailto:reception@orangetreeschool.org)

### 5.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the student's parent/carer notifies the school in advance of the appointment and provide medical evidence.

If your child has a medical appointment, please advise the main reception in advance of the appointment bringing evidence of the appointment. All appointments where possible, should be made outside of school hours or in the holiday period. Emergency appointments will be authorised with supporting evidence.

We encourage parents/carers to make medical and dental appointments out of school hours where possible.

*Please note:* Leave of absence for holidays in term time is not permitted under government guidance and therefore not encouraged by the school. If you require absence during term time, this will be discretionary on an individual basis in exceptional circumstances. Requests should be made in writing with as much notice as possible and should include a clear reason why this is required and how many days absence you are requesting. *If a holiday is taken without written permission, this will be recorded as unauthorised.*

Absence requests for religious observation should be made in writing to the school clearly stating the religion, reason and dates required as far in advance as possible.

## 5.4 Lateness and punctuality

A student who arrives late:

- After form time will be marked as late, using a 'L' code on our register system.

A student who arrives late:

- After the register has closed will be marked as absent, coding this as 'U' which will be an unauthorised late

## 5.5 Reporting to parents /carers

The school will regularly inform parents about their child's attendance and absence levels by telephone and letter in accordance with the school's attendance triangle. If concerns escalate, parents/carers may be invited in for a meeting to discuss the best way that the school can continue to support their child.

## 6. Authorised and unauthorised absence

### Approval for term-time absence

The Head Teacher will only grant a leave of absence to a student during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the Head Teacher's discretion, including the length of time the student is authorised to be absent for.

The school considers each application for term-time absence individually, considering the specific facts, circumstances and relevant context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 10 days before the absence.

The Head Teacher may require evidence to support any request for leave of absence.

*Valid reasons for authorised absence include:*

- Illness (*including anxiety and mental health*) and medical/dental appointments.
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the student's parents belong.
- Traveller students travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, barges (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision.

## 7. Attendance monitoring

### 7.1 Monitoring attendance

*The school will:*

- Monitor attendance and absence data half-termly, termly and yearly across the school and at an individual pupil level.
- Identify whether there are individuals whose absences may be a cause for concern.

The school will compare attendance data to previous years, with an aim to improve on attendance each term and half term.

### 7.2 Analysing attendance

*The school will:*

- Analyse attendance and absence data regularly to identify students that need additional support with their attendance and use this analysis to provide targeted support to these students and their families.
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns.

### 7.3 Using data to improve attendance

*The school will:*

- Provide attendance reports to staff to facilitate discussions with pupils and families.
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies.

### 7.4 Reducing persistent and severe absence

Persistent absence is where a student misses 90% or more of school, and severe absence is where a student misses 50% or more of school.

*The school will:*

- Use attendance data to find patterns and trends of persistent and severe absence.
- Hold termly meetings with the parents of students who the school considers to be persistently or severely absent, to discuss attendance and ways to encourage the student to be at school.
- Hold attendance drop in sessions with the school Attendance Lead.
- Key teacher involvement.
- SEND department and SLT involvement

- Referral to the Educational Welfare Team for intervention and Legal Sanctions

## **8. New students/ Transition to OTS**

- As per the Department for Education (DfE) guidelines, our attendance policy accounts for the specific needs of certain pupils and pupil cohorts, in particular those who are new to the school or are transitioning to OTS.
- We appreciate that the move to a new school, or back to school, must be handled carefully to ensure a smooth and supportive transition to OTS.
- There will be a short transition for students who are new to the school; a student's phased return will be regularly reviewed by the school with parent/carer and student. We aim for students to be full time as soon as possible.
- Following DfE 'Working together to improve school attendance': A part-time timetable must only be in place for the shortest time necessary and not be treated as a long-term solution.

*For further information on government guidelines around the law and attendance, please refer to [Working together to improve school attendance - GOV.UK \(www.gov.uk\)](https://www.gov.uk)*

## **9. Monitoring arrangements**

This policy will be reviewed as OTS evolves and develops. This policy will also be reviewed as guidance from the local authority or DfE is updated. At every review, the policy will be approved by the Headteacher and Head of School.
